Craig is a UK-based American voiceover artist. Slightly British, Mildly American, his naturally-neutral mid-Atlantic accent has been used by major brands, eLearning developers, game producers and audiobook publishers around the world.

After starting life as a classically-trained singer, dancer and actor, Craig decided to pursue a career in business, and spent the next 25 years working as a management consultant in the international financial markets, before 'coming home' to acting via voiceover.

Recent clients include: Avanade Consulting, De Kuyper Brands, Delaware Consulting, Credit Suisse, BRC Global Standards, Findaway Voices, CAPCOM Games, IBM, Smith's Medical, Journalstone Publishing, Moosehead Breweries, Marriott Hotels, National Geographic, CloudPay, Audible Studios, Millstream Productions, Replay Publishing, DHL, Finnish National Agency for Education, Sealed-Air Food Care, SureTech Brands, Inc / DuckBrands, Gamesys, WAVIN Products, MindFramers, Inc, Antikythera Technologies, Northern Light Productions, Hodder & Stoughton Publishing, 2nd Empire Media Publishing, XFINITY Comcast, China Unicom, Philadelphia Visitors Channel and THQ Nordic Games.

Craig maintains two professional studios - one at his home in Kent and the other at Soho Studios in London, where he is a voice producer and coach for [The Showreel](#) the UK's premier Voiceover Studios.
